Accompanist awards are given according to the number of times an accompanist plays during competition rounds **and only count if the contestant has listed the accompanist on the tune sheet**. All commercial recording rights are reserved and shall become the property of the CSOTFA. Signing of the registration form shall waive such rights.
4. Initial Order of Play will be drawn by lottery approximately 30 minutes before the start of each division. The committee will draw before each round for a new Order of Play. **If a contestant is not ready to play when called by the MC, he/she will be dropped to the end of the division and incur a 10 point penalty.** Any contestant registered and not playing the initial round will be eliminated from the contest and forfeit all fees for the remainder of the contest. **Total playing time is four minutes fifteen seconds. There is no grace period. Timing will start when the contestant or any accompanist plays any note on stage. Two points will be deducted for every ten seconds or portion thereof over four minutes fifteen seconds.**
5. **In the event of a tie involving prize money after the final round, the high scores for the final round for the tied contestants will be compared and the contestant with the higher score will be deemed to have won the tie. If the scores are still tied, the contestants will be deemed to have tied for the placement and will split the prize money for that place and the one below it.**
6. If a contestant qualifies and does not play the Final round, he/she will forfeit his/her standing in the Final Round. The next contestant will move up and play in the Final Round.
7. Contestants may play without accompanist or with no more than three accompanists, no more than two of which may be standard guitars. **Having more than two standard guitars as accompaniment will incur a 5 point penalty.** An accompanist may not play the melody of the tune.

If the tune is completed, it will be judged as played. If the contestant stops, he/she will be moved to the end of the round and will play a complete round, regardless of whether or not any tunes were completed before the incident.**
